The children who had reached Gold last half term were treated to a reward trip on Wednesday. They had lots of fun in the play gym at The Zone in Huddersfield.

Year 4—Iceland Project

Year 4's new topic is Iceland. The children were asked to make a flag using different resources rather than just paper and colours. They have used toothpaste boxes, air drying clay, expanding foam, Lego and many other materials. We even got a cake, which we had to sample of course!

Church Links

This week the children who so wished were ashed, to mark the beginning of Lent. Here Year 4 are being ashed by Father David.

Life Bus

Life Bus is visiting school next Wednesday and Thursday. Each class will be part of a session on the Life Bus that is led by Coram Life Education. A letter about the sessions will be sent home with your child.
