### Red Nose Day

For Red Nose Day on Friday 15th March, children can wear red. They don't have to pay for this.

We are having a Bake Sale.

Children can bring in cakes and biscuits on the day and bring some money.

### Bradford 10K for Epilepsy

Mrs Hoyle and Mrs Greenwood are running in the Bradford 10K race on Sunday. The event is organised by Epilepsy Action and Mrs Hoyle and Mrs Greenwood will be running to help raise awareness and to support this very good cause.

### Year 6 Science Workshop

On Friday 8<sup>th</sup> March, Dr Neuberg visited Y6 and delivered a seismology workshop. Dr Neuberg has travelled the world monitoring volcanoes. Year 6 really enjoyed learning about volcanic movements and even created their own earthquake to measure.

### Church Links

This week in Collective Worship the children learnt about where the name Good Friday comes from.

## Attendance—Update

Great news about attendance this first half of the Spring term—the school has improved in all areas. The whole school average since September is 95.5%, very close to our school target of Above 96%.

Compared to the same period last year, the number of children on **100% attendance was 26, but is 75 this year!**

**A big thank you for your ongoing support.**

## Head Lice

Head lice sometimes can make your head feel itchy and like something is moving in your hair. The only way to be sure someone has head lice is by finding live lice or eggs. You can do this by combing their hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

You can treat head lice without seeing a GP.

Treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice.

There's no need to keep your child off school if they have head lice.

You can find advice on the NHS and Locala (School Nursing) websites.

## Used batteries

Please note, we no longer accept used batteries for recycling. Aldi offers a battery recycling service.
