Picnic Lunch Tomorrow

On Friday 12th April those children who have school dinners will be having a picnic lunch in the hall.

Year 4 Romanian Easter

Mara in Y4 told us about a tradition that they carry out in Romania at Easter time so we did it in class.

Mara's mum gave us some colouring so we could make coloured eggs. Then we said some special words about Jesus and cracked the eggs. We then got to eat the eggs!

Staffing News

Just a quick note to let everyone know what's happening in school.

As from Easter, Miss Hartley will be our Acting Headteacher, Mrs Horsfall will be our Acting Deputy Headteacher and Mrs Greenwood will be our Acting Assistant Headteacher. Mrs Bedford will continue on the SLT team as our SEN Manager.

Mr Wightman will continue in his present role until summer. This all means classes' learning will be uninterrupted, as all these teachers will stay with their present classes until summer. After summer Mr Wightman will remain in post to ensure a smooth transition to the new Leadership team.

We also wish Mrs Walker and Mr Herring all the very best, as they leave school this term. We hope all goes well for them in the future.

Parents Evening

82% of our parents attended at parents' evening. Thank you for your support.

As a parent, you know your child better than anyone.

When it comes to your child, you are the expert.

You know their personality, habits, strengths and weaknesses.

Parents' Evenings.....

Why They're Important

By attending parents' evening, you are sending the following messages to your child:

- ✓ We value your education and we are interested in how you are doing at school.
- ✓ We are proud of you and want you to achieve your best.
- ✓ We love and care about you and want to help you do well.
- ✓ We support the school in what it is trying to do for you, and want to work in partnership with your teachers.

Your child's teacher, on the other hand, is professionally trained in understanding and meeting the learning needs of children, and is knowledgeable in how to help your child learn and succeed in school.

Your interest and involvement in your child's learning and education, is more important than anything else in helping your child achieve their best.

By talking to your child's teacher and telling them about your child, this helps them to understand more about your child and how best to help them learn.

By working together, parents and teachers can each support learning in a different way and give your child all the necessary support.
