Australian Bush Fire Fundraising

Thank you to everyone who has donated their coppers for our fundraising. Please keep these coming in and we will soon be able to show you a photo of our great design for helping the families affected.

Befrienders

Mrs Hoyle has organised a group of 12 children to work as 'Befrienders' in school. If any children need a friend, want ideas for what to play or have any worries they can go to the Befrienders for help in the first instance. They have had some training to help them be able to deal with conflict, worry and bullying concerns. Befrienders can be identified by the badge that they will wear. The names and classes they are in are:

Year 1—Lillie & Emily
Year 2—Pixie, Abigail, Nainika & Lily
Year 3—Theo
Year 4—Kady & Chloe
Year 6—Olivia, Ruby & Xander

Reading

Mrs Horsfall has mentioned the importance of listening to children read at home. If you could spend time just once a week listening to your child/ren it will really help with confidence and to improve reading skills.

Church Links

This week the children have been thinking about Reverence. Father David led our Collective Worship today and the children learnt about The Baptism of Christ.

Robinwood Forms

Please can you ensure that you have returned your child's Personal Information form for the Robinwood trip so that we can get them processed.

Also, please could all final balances be paid as soon as possible—the last day for paying is next Friday 31st January.

Life Bus

This week the children have enjoyed visiting the Life Bus and getting the chance to meet Harold the giraffe and his friends.

Mobile Phones

We appreciate that at times the older children need to bring a mobile phone to school if they are walking home or going elsewhere after school. Please can you ensure that the phone is handed in to the office for safe keeping. Children should not have phones on them throughout the day.
