Dear Parents,

I am delighted to inform you that following the success of previous year's courses we are expanding the football coaching programme for the season. **The course will run on a weekly basis EVERY FRIDAY** during school term times.

All of our courses are run by F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL PLAYERS. All of our coaches have been DBS/CRIP POLICE CHECKED. The course is open to Boys and Girls aged between 4 and 13. All abilities are catered for with small business introduced through FUN and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the term (usually 10-12 weeks) every child will receive a merit Trophy and course Certificate, with chance to win extra trophies including Penalty Shoot out, American Shoot out and Champions League Competitions.

The cost of the course is £5 per week, which is payable every four weeks (£20) with the first payment due on week one. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. We have the use of excellent facilities including the large indoor sports hall.

Health Update

Children with simple cold symptoms such as runny noses or sore throats **without fever** should not be tested for COVID-19, and can attend school if they feel well enough to do so.

If you have symptoms of COVID-19 you should stay at home and arrange testing.

Please contact school to advise us of any absence.

When you receive your test result, **please email admin@ellandcalderdale.sch.uk**

with details before your child returns to school. If your child develops any of the key symptoms for COVID-19 in school, we will contact parents/carers and ask for you to arrange a test.

If someone in the household has tested positive for COVID-19 (on LFD or PCR), children and young people in that household, who attend school, are advised to stay at home. This absence will be authorised.

If they develop symptoms, they should get a PCR test straight away.

If they don't have symptoms, they should get a PCR test 3-5 days after their household member started with symptoms (or took their test if they had no symptoms). If this test is negative, the child can return to school. If you develop symptoms, you must stay at home and arrange another test.

Symptoms

High temperature
New continuous cough
Loss or change to sense of taste or smell
