### Mr Parker

Mr Parker had his last day at school on Friday. We managed to get a photo of him with the Girls' and Boys' football teams during the Celebration Assembly.

### Eid

We would like to wish 'Eid Mubarak' to all of our families who are celebrating this week.

And a very big thank you from all of the staff to Khadija and Umar's family for sending in samosas for everyone! They were very delicious!!

## Y6 SAT's

Attention Year 6 parents/carers, SAT's week is here!

The timetable for next week is opposite. They have all been practicing and are well prepared.

Please can you make sure your child arrives on time each day. Everyone has been invited to attend Breakfast Club but we still have a few permission slips outstanding for this. Do your best and most of all, don't worry about them!

## Church Links

This week in Collective Worship Father David spoke to the children about Trust.

## Year 6

Year 6 doing 'Active Blasts' in the classroom.

## Year 3

In Year 3 this week we have been learning all about Earthquakes. In earthquake prone countries such as Japan, school children take part in Earthquake drills. Much like we have fire drills in our school! This is to practise what would be the safest thing to do in the event of a real earthquake and how the children in these countries keep themselves safe. During our lesson Miss Tara set off our "Earthquake warning" and we all had to **Drop, cover and hold on**. The children got themselves under the tables for protection against "falling objects" (soft balls and bean bags) and held on to the legs of the table.

## Domestic Abuse Sessions

## PE Kits

### Reminder

Please can children remember to bring their PE kits/ drink bottles/swimming kits to school when it is their PE/swimming day.

The office are constantly having to phone to ask parents/carers to drop forgotten kits at school.

Thank you

## Health Update

If your child has symptoms of COVID-19, please keep your child at home and contact school to advise us of any absence.

### Public Health latest advice:

Anyone who tests positive for COVID-19 should stay at home for at least 5 and up to 10 days and avoid contact with other people.

Anyone who has tested positive for COVID-19 may choose to take a lateral flow test from 5 days after symptoms started (or the day their test was taken if they did not have symptoms) followed by another lateral flow test the next day.

If both these test results are negative, and the person **does not have a high temperature**, they can safely return to the setting before the end of the full, advised 10-day period.

If you are unsure, please visit [www.nhs.uk/conditions/coronavirus-covid-19/](https://www.nhs.uk/conditions/coronavirus-covid-19/) to clarify.

**Symptoms**  
High temperature  
New continuous cough  
Loss or change to sense of taste or smell
