As we come to the end of a very busy year, I would like to say a HUGE thank you to all the staff for their hard work. Thanks to the dedication of all staff, children have had a smooth, supported and successful return to school, following the turbulence of the pandemic years. There is a great team here at Elland CE and we are already looking forward to the new academic year and the work we will do to ensure your child continues to be supported to reach their full potential.

The end of the year also means saying goodbye to those leaving us. As well as our wonderful Year 6 cohort, we also say goodbye to Mrs Hutchinson after 10 years teaching here at Elland. Mrs Hutchinson is moving authorities and will be teaching in a school in North Yorkshire from September. We know she will be fabulous and wish her all the very best. Thank you, Mrs Hutchinson for all the hard work you have put in at Elland CE, we will miss you.

As our Year 6 class moves on to secondary school, we also wish them the very best. The hard work this cohort have put in this year is amazing. They all deserve the very best and all have bright futures ahead of them. We have enjoyed celebrating with them over the past couple of weeks, on their trips, at the leavers' assembly on Wednesday and this afternoon in Church. I know they'll have a great last day tomorrow.

Finally...Miss Roberts will return to us in September as Mrs Riley! Governors, staff and children of Elland CE all send their congratulations and best wishes for the future Mr and Mrs Riley for their upcoming wedding. I wish you all a wonderful summer break. See you in September. Miss Hartley

Summer Activities

Activity Day—Saturday 23rd July

The Early Action Team are running an event at Hullen Edge Park this weekend on Saturday 23rd July between 11am and 3pm.

There will be activities such as the climbing wall, caving system & skateboarding and it will be a fun day. There will also be free food given out on a 'first come first served' basis. The day is completely free (no need to book). It will be good to see some of our young people there.

Health Update

If your child has symptoms of COVID-19, please keep your child at home and contact school to advise us of any absence.

Public Health latest advice:

Anyone who tests positive for COVID-19 should stay at home for at least 5 and up to 10 days and avoid contact with other people.

Anyone who has tested positive for COVID-19 may choose to take a lateral flow test from 5 days after symptoms started (or the day their test was taken if they did not have symptoms).

After the 5 days, if the person feels well and **does not have a high temperature**, they can safely return to the setting.

If you are unsure, please visit www.nhs.uk/conditions/coronavirus-covid-19/ to clarify.

Breakfast Club

If you currently have a place in Breakfast Club this will continue into September. We are currently working through our waiting list to offer places from September. If you would like to be considered please email us on admin@elland.calderdale.sch.uk
