Remembering Queen Elizabeth II

Following the sad announcement of the passing of our Queen on Thursday 8th September, we did not hold our usual celebration assembly on Friday morning. Instead we met as a school and held a short service in remembrance of her Majesty, the Queen.

This week in Collective Worship, we have discussed the Queen's life, the Commonwealth and the mourning period.

Welcome Back

Welcome back to a new school year. Welcome also to all of our new starters—I hope you have had a great first week! We have had a fantastic start and look forward to this continuing.

Bank Holiday

With the sad news about the passing of the Queen, there will be a Bank Holiday as a day of mourning on Monday. School will be closed on Monday 19th September and re-open on Tuesday 20th September. We are thinking of the Royal Family at this difficult time and our thoughts are with them.

Class Rewards

We have something new this year! Children in all classes have been asked to think of class activities they would like as a reward for those who demonstrate our school rules: Be Kind, Be Respectful and Be a Hard Worker.

Classes have already drawn up a list of these activities AND have agreed on the date and activity for their first reward – some are next week!

To be included in the reward activity, children need to earn their place in the Gold Circle or Gold Balloon displayed in their classroom. Names of those children demonstrating the agreed school rules are placed in the circle. Classes have had discussions about this, and names are already appearing in the circles/balloons. Children's names are placed in the circle by adults but can be nominated by their peers for this too. Please ask your child about their class reward and perhaps if their name is in the gold balloon/circle yet!

Social Media

We have created a new Facebook page and plan to use this as another way to celebrate the good news and work from classes in the school. If you also use this platform, please give Elland CE J, I & N School a like.

Adult Learning—Maths

We are starting the Maths Functional Skills Adult Learning again this week. It will be held weekly on Thursdays at 9.30am to 12pm. If you are interested in brushing up on your maths skills or need maths for a job you are thinking of, please get in contact with the school office, or come along on Thursday to see if it could help you!

Church Links

This week in Collective Worship Father David spoke to the children about The Queen as a Christian and a Head of the Church of England.

Year 2

Year 2 have created a 'Field of Friendship' for their new class. All of the children came up with compliments and talents to do with each person in the class and wrote them onto the petals of the flowers.

What a lovely start to our new year at school!

Bikeability

On Wednesday, Year 4 were very lucky to have Bikeability training. They spent the morning becoming more and more confident with their bike riding, and by lunch time, they were circling around the playground very expertly! Well done Year 4!

Uniform

Please could you send any unwanted uniform, especially polo shirts or any school jumpers into the school office.

Many thanks

Toy and Book Sale!

We are hoping to hold our Toy and Book sale on Friday 30th September after school. Please send any toys or books to school as soon as possible. Thank you to those who have already sent in any items.

Thanks
